24 HOURS IN TITUSVILLE

ADVENTURES LAUNCH FROM HERE IN

With just 24 hours, get outside and discover our amazing natural attractions.

1 Playalinda Beach (1 hour)
Sunrise on Playalinda Beach is worth the early start. This special place is often cited as one of the most beautiful beaches in the U.S. It is much the same view as our ancestors saw, still undeveloped, with sandy long stretches of open beach, sea oats growing on the dunes and the quiet roar of Atlantic Ocean surf.

2 Merritt Island National Wildlife Refuge Visitor’s Center (30 minutes)
The refuge is a national treasure—140,000 acres of coastal dunes, saltwater marshes, scrub, flatwoods, hardwood hammocks and fresh impounds—habitat for wildlife. Start at the Merritt Island National Wildlife Refuge Visitors Center on SR 402 (plus its on the way back from the beach – turn south on Scrub Jay Way). Pick up a map (and a guide to the many birds you might encounter). Can’t stop? Get a refuge map online at www.fws.gov/merrittisland

3 Black Point Wildlife Drive (1 hour)
This is a 7-mile, one-way, self-guided loop (entrance off SR 406) you can drive. It’s old Florida landscape quite visible from your vehicle. You may see wading birds, raptors, alligators, otters. There are stops along the way and observation towers. Bring your camera. (Have a long lens? You’re going to wish you brought it.) Small entrance fee.

4 Spaceview Park (30 minutes)
Time to head back to town, you will absolutely be glad you stopped here at Space View Park at 188 E. Broad St., to see the monuments honoring America’s Space Program and space explorers; discover the names of many of the men and women contributing to these accomplishments, and put your hands in the handprints of astronauts. The park is right on the river, and if there is a launch scheduled, this is a lovely place for a launch view. Check the rocket launch schedule at www.spacecoastlaunches.com

5 Explore Downtown Titusville (1.5–2 hrs)
Start at the Titusville Welcome Center at 419 S Hopkins Ave. See the big maps, pick up your own and ask questions that sometimes only a local can answer. Get in touch with the town, its history, its attractions and hidden gems. You can even rent bikes right here.
Take a walk along the Mural Trail. Shop for Titusville treasures. Fun stop lots of info and friendly faces.

6 Enchanted Forest Sanctuary (1 hour)
Hike within the 471-acre sanctuary. Enchanted Forest interpretive trails go through a variety of habitats including ancient oaks and magnolias, open scrub and one of the largest tracts of coastal hardwood forest in this region of Florida. You may spot a Gopher Tortoise, or at least one of their burrows. Kids (of all ages) will enjoy the hands-on exhibits in the on-site education center. 444 Columbia Blvd., on the north side of SR405, 1/2 mile west of U.S. Hwy. 1, south of Titusville.

7 Pick A Museum (1 hour)
7a Valiant Air Command Warbird Air Museum
This is close by. See the growing collection of aviation wonders including more than 45 historic warbirds and an extensive exhibit of military aviation memorabilia. At Space Coast Regional Airport, at 6600 Tico Road, on the south side of Titusville.

7b American Police Hall of Fame
This is just off US 1 near NASA Pkwy at 6350 Horizon Dr. It houses law enforcement exhibits, a memorial and a Hall of Fame. It is the nation’s first national police museum and a memorial dedicated to law enforcement officers killed in the line of duty.

7c The Moore Cultural Center
Honors Harry T. & Harriette V. Moore, martyrs of the contemporary civil rights movement, killed on Christmas 1951 when their home was bombed. A replica of the Moore’s home sits on the property along with the Cultural Center (museum) and strolling grounds. The Harry V. & Harriette T. Moore Cultural Center is North of Titusville, off US Hwy 1, at 2180 Freedom Ave. Mims.
